This district allows for a variety of Commercial, Retail, and Office uses consistent with the base zoning district. The overlay does not apply to residential or industrial zoning districts.

Within the overlay, occupancy will not be issued for auto body shop, auto or other motorized vehicle sales and service, auto salvage, major auto service, or auto wrecker or impound lot.

Parking Orientation: New buildings must locate parking to the side or rear of the building

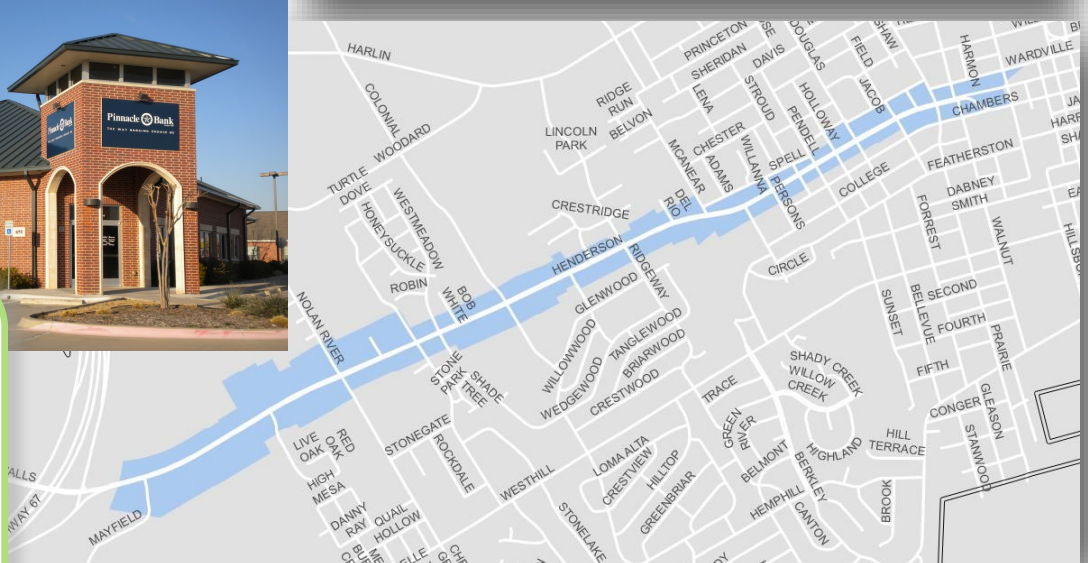

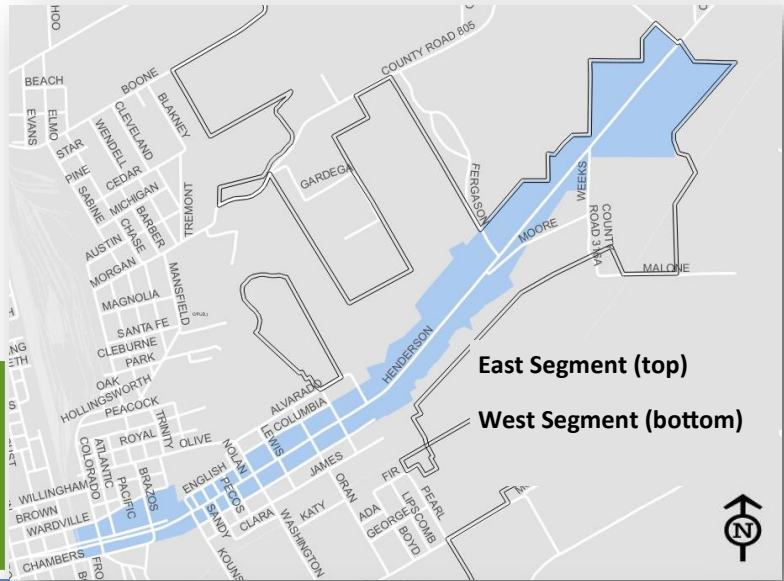

Window Coverage: New buildings must provide windows on at least 35% of the front façade and 30% on other façades

Corner Feature: Buildings at intersection corners must utilize corner features that are 15% higher than surrounding façade and finished with a decorative cap or cornice that projects from the building face

What does this mean for my property that is already developed?

Your property is considered “grandfathered” which means you can continue to use your property as you are today.
